

Physical therapy fees: out-patient and private clinic services

The following WCB fee codes and fees are to be used to bill for services provided to WCB clients by physical therapists accredited to provide primary level services to the WCB customers. Prorated service fees, billed as 20-minute units of care, will be rounded up to the next full 20-minute unit of care. The rounding privilege will be utilized in an ethical manner. Double billing of any portion of a unit of care will not occur.
